

California Organic Gardening Club
Winter Garden Plant Sale Cypress Farmers Market
4505 Katella Ave, Los Alamitos
Saturday October 10 & 17
9:00 am – 2:00 pm

October is the month to plant winter vegetables. It is hot now but in another month rain, cooler temperature and shorter days will encourage the growth of winter crops. The California Organic Gardening Club has raised hundreds of plants ready for your winter garden. These include peas, leafy greens, root vegetables and cruciferous vegetables. Please see our plant list below. Plan to grow wonderful crisp salads, healthy broccoli and juicy beets. Brighten up the shorter days with fun in your own back yard.

What:

Vegetable seedlings plant sale. Free seed package with purchase.

Where:

Cypress Farmers Market [4505 Katella Avenue, Los Alamitos, CA 90720](https://www.google.com/maps/place/4505+Katella+Avenue,+Los+Alamitos,+CA+90720)

Located in a huge parking lot near the Los Alamito's Racetrack. Lots of open space between vendors. See Cypress Certifies Farmers Market on Facebook

<https://www.facebook.com/CypressCFM>

When:

Saturday October 10 & October 17, 9:00 am - 2:00 pm

Who:

California Organic Garden Club members have grown hundreds of seedlings using all organic methods. Members will be on hand to give gardening advice.

COGC members will wear mask and gloves.

All customers must wear mask to be served. Social distancing required.

How:

Come by our booth at the Cypress Farmers Market.

All plants \$3.

See our website at <http://calorganic.org/>
